Dear Sir:

Applicant thanks the Petitions Attorney, Alesia Brown, for her decision on the Petition to Revive, filed January 20, 2006.

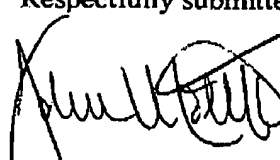

Applicant requests reconsideration of the Decision on the grounds that the Undersigned has already duly authorized the charging of the Undersigned's deposit account No. 502621 *when the response filed on January 20, 2006 is taken as a whole*, namely, when considering the general authorization on page 10, last paragraph of the response, which states that the Commissioner is authorized to charge the above account for any payments, together with the clear indication of the amount to be charged on form PTO/SB/64, indicating the fee

is \$750. It is therefore believed that the requirements of a grantable petition pursuant to 37 C.F.R §1.137(b) had therefore been met.

The Undersigned thanks the Office in advance for taking the steps necessary to ensure that the Undersigned in not charged twice of the required fee under §1.17(m), but nonetheless re-authorizes, to the extent necessary to be charged only once for such fee, the charging of the deposit account of Moetiteli & Associates SaRL, No. 502621 for such fee.

Again, if the Examiner has further questions, she is invited to contact the Undersigned at phone 011-4171-230-1000, fax at 011-4171-230-1001 (Switzerland is 6 hours ahead of Eastern Std Time), or e-mail at moetiteli@patentinfo.net.

Respectfully submitted,

John MOETTELI

The petition is DISMISSED.

Any request for reconsideration of this decision must be submitted within **TWO (2) MONTHS** from mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is not a final agency decision.

This application became abandoned September 3, 2005 for failure to timely reply to the non-final Office action mailed June 2, 2005.
